Governance - there are two main operational committees within the CAAT Pension Plan: the Sponsors' Committee (SC) and the Board of Trustees.

Sponsorship and Trust Agreement (STA) - This important legal document established the Trust Fund and states the roles and responsibilities of the Board of Trustees and the Sponsors' Committee.

Trust Agreement (TA) – same as STA

Sponsors' Committee (SC) - This is a “partisan” committee of eight members, comprising four employer and four employee members, representing their respective groups **The College Employer Council** (CEC) for the Boards of Governors of the colleges, **OCASA** - Ontario College Administrative Staff Association, and **OPSEU** - Ontario Public Service Employees Union (2) – Academic and Support. The duties of the Sponsors' Committee include approving Plan amendments and proposed changes to benefits, and appointing trustees to the Board of Trustees.

The Board of Trustees recommends changes in benefits to the Sponsors' Committee. There are three Board Committees – Administration, Audit and Investment. * Chair and Vice Chair have an 18-month term. One of these positions is filled by an Employee Trustee and the other by an Employer Trustee.

Retiree Trustee. (RT) Originally one of the members of the Board of Trustees was a “Retiree Trustee”, who supposedly represented retirees. Following a ruling in 2007 by the Superintendent of Financial Services Commission of Ontario (FSCO), requiring the Plan to conform to the membership component of the Pension Benefits Act, the Plan chose to remove this position so that the “Retiree Trustee” designation no longer exists. Instead, a 6th “employee” trustee was appointed rotationally by OPSEU / OCASA. There is no longer a requirement for this person to be a retiree, and this person does not formally represent retirees. The ruling was on the basis that the Pension Benefits Act requires that at least one half of the Board of Trustees must be representatives of members. The inclusion of a Retiree Trustee caused the member representation to be less than half. This ruling required an amendment to the Sponsorship and Trust Agreement.

9. Ontario Expert Commission on Pensions (OECF)

In 2006 the Ontario Minister of Finance established the OECF to review the Pension Benefits Act, and to make recommendations to the Minister in the summer of 2008. A public consultation process involved written and oral submissions followed by public hearings in five cities across Ontario in October and November 2007. There were 127 written submissions, including those from OCRA, the CAAT Pension Plan, CURAC and others. The Commission Report, *A Fine Balance: Safe Pensions, Affordable Plans, Fair Rules* (<http://www.fin.gov.on.ca/en/consultations/pension/report/>) was released on November 20th, 2008 with 142 recommendations some of which have been incorporated into the 2010 Pension Benefits Act. The following two statements in the report written by the Commissioner Dr. Harry Arthurs are especially pertinent in light of the changes made to the CAAT Pension Plan Sponsorship and Trust Agreement.

1. **“It is inappropriate, I feel, that retirees should be denied a voice in decisions that crucially affect their interests.” “Retired members should be able tonominate their representatives on any governance body.....”**
2. **“*The Pension Benefits Act* should be amended to describe pensioners as “retired” rather than “former” plan members.” (Recommendation 8-28)**

Derrick May, OCRA Past President.
